

Opportunity: 6 month paid internship, with ability to extend up to 1 year

Position: Vibrant Hawai'i Ambassador

Supervisor: 'OAKA Champion

Hourly Rate: \$21.50

Organization Summary

Vibrant Hawai'i is a community building organization that was formed in 2018 to advance equity and agency for all Hawai'i Island residents. Our goal is to create conditions to awaken and exercise kuleana, dismantle silos, and raise our collective will to take action together.

Vibrant Hawai'i serves the role of convener, facilitator, and intermediary. We provide process, structure, and resources to initiatives that are envisioned and executed by our community and for our community.

Hawai'i Island residents from all districts and sectors work collaboratively to address complex and dynamic issues with emergent strategies that reflect native intelligence. The actions of our island wide network coalesce through Streams: Economy, Education, Health and Wellbeing, Hawai'i Island Housing Coalition, Resilience Hubs, and 'OAKA.

It is important for candidates to have a deep understanding of the nature of Streams to be successful in the Vibrant Hawai'i workplace culture. Streams emerge from a common source and flow forward, responding to changes in the environment and carving new paths forward. Ambassadors need to be like streams - able to move forward despite changes in the work environment to effectively respond to dynamic and emergent community needs and initiatives.

Opportunity Summary

The Vibrant Hawai'i Ambassador is a 6 month internship opportunity designed for opportunity youth and graduates taking a "gap year" who care deeply about Hawai'i Island and want to build skills and develop practices that will support career goals in public service, social services, and organizational leadership.

Our goal is to provide Ambassadors with hands-on experience of working with and for the community, to develop capacity to stretch beyond their comfort zone: build courage, "wipeout", and apply learning, and to build character that is able to lead and follow through dynamic and complex conditions.

We acknowledge that this may be the first formal employment for Ambassadors, and the program infuses support to develop acquisition of workplace skills, such as completing tasks on time, planning and proofreading before execution, evaluation to inform future action, workplace communication, brand awareness and being a brand ambassador, event planning and support, and network building.

Ambassadors will gain both leadership and workplace experience by supporting the activities of Vibrant Hawai'i Streams. To learn more about our work, visit www.vibranthawaii.org.
